

## Penalty challenge

This document describes the IranOpen 2017 penalty challenge rules and execution.

### **1. Execution**

The challenge will be executed in an all vs all manner. Each participating team will be put against all other participating teams and will be given three penalty shot opportunities.

These opportunities will be given to test scoring and defending capabilities of teams in a penalty situation. Total scored goals and total conceded goals will be recorded for each individual team and all teams will be ranked upon them.

This challenge will have two winners. One for the best scorer team, one for the best team with goalie.

### **2. Rules**

- Each penalty shot is regular penalty shot as described in competition rules, there is no difference.

- Each team will have 3 opportunities to score, 3 to defend.
